

GREAT BRITAIN

Lieutenant Uriah Falgard, Age: 27
Dublin, Ireland

An average sort, unremarkable. Uriah went to a good school, University, then a promising Civil Service career. It was a reserved occupation but he managed to get into uniform. Formed a solid friendship with Sgt Hardball.

Snr Sergeant Keith Hardball, Age: 26
Dublin, Ireland

An average guy, unremarkable. Keith is a grease monkey in civvy street, he can strip an engine in no time at all. Has struck up a good friendship with Lt Falgard

Corporal Henry Waldirk, Section 1
Age: 49. Rothberry, North England

Tall and thin, Henry is a card-carrying Communist. You learnt your beliefs on the pit face and fought fascism in Spain. This time they shall not pass!
As the old man in the platoon, his experience is often drawn upon.

Corporal Zachariah Jacobs, Section 2
Age: 25. Dunbar, Scotland

A barrel of a man, he is as broad as he is tall. Made a living as a door to door salesman. Brushes, mops, dusters, a housewife's best friend.

Corporal Peter Echs, Section 3
Age: 25. Nottingham England

Remarkably overweight considering his reliance on Army rations. A waiter in a well-to-do restaurant. Discrete, deferential; his officers appreciate his qualities
